

Example Title

Slide_

Machine Learning Fundamentals

[First name] [Last name]

[Date]

Example Table of Contents

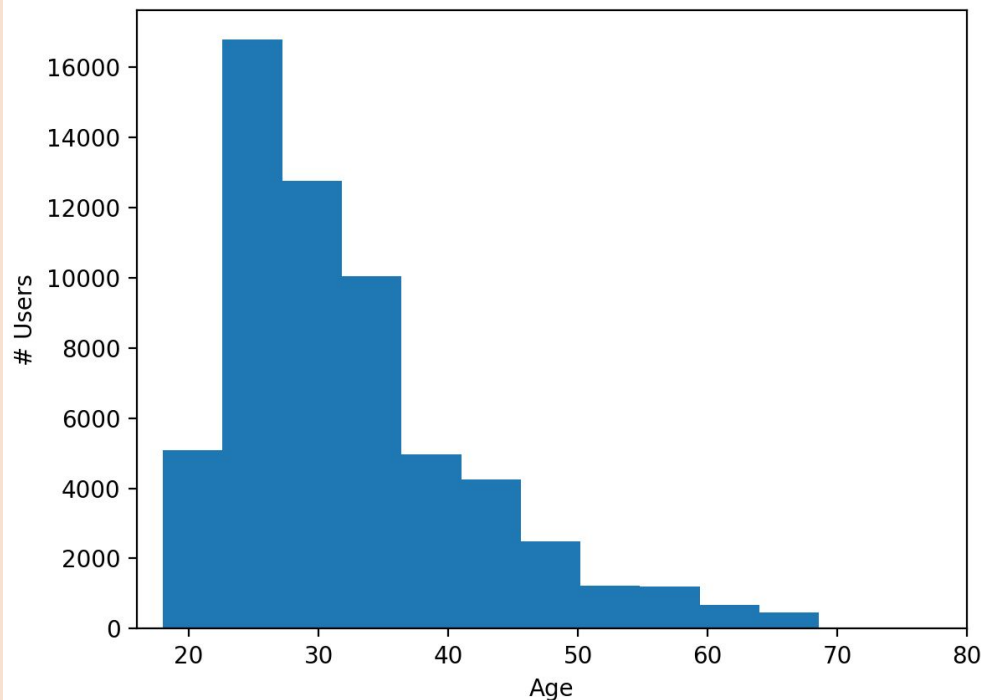

- Exploration of the Dataset
- Question(s) to Answer
- Augmenting the Dataset
- Classification Approaches
- Regression Approaches
- Conclusions/Next steps

Example Slide Type #1

user	drinks	drinks_code
0	rarely	1
1	not at all	2
2	often	3

This is some table that I am describing. Perhaps I am describing the data that exists, or perhaps I am describing some data that I added!

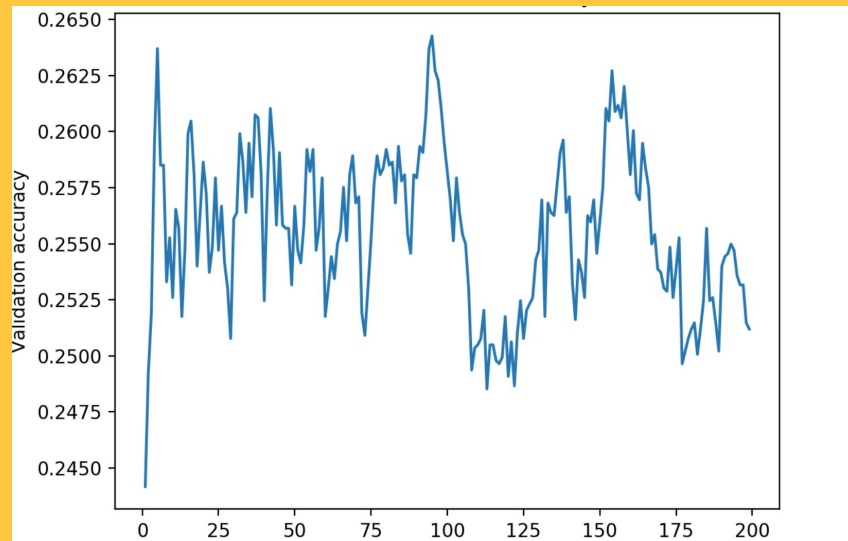

Example Slide Type #2

This is a graph I am describing, and:
- these are the insights I took away from it
- this is how I created it

Example Slide Type #3

Column 1	Column 2
cat	1
dog	2
cat	2
cat	1
dog	2

Example Slide Type #4

Here are some things I thought about:

- conclusion
- insight
- question
- next step
- problem

GOOD LUCK AND HAVE FUN!

The End
